SCIENCE EXHIBITION

Jaipuria School organised Science Exhibition on
19th Oct 2019.

SCIENCE EXHIBITION

Kids always love to do hands on science experiments. There is something so empowering about causing a reaction in an experiment or suddenly grasping a science concept. It gives kids confidence as a learner. The students of Pre-Primary displayed three experiments .

1. Optical illusion
2. Salt and Pepper Experiment
3. Dancing Raisins

Optical Illusion: When the light passes through water it refracts the water inward causing the arrow to appear like its pointing in the opposite direction. This is called optical Illusion.

Salt and Pepper: When we mix salt and pepper in a plate and place a balloon on top of it, a static electric force occurs due to which the salt and pepper particles stick to the bottom of the balloon.

Dancing Raisins: In a glass of water add eno and stir ~~new~~ put raisins in it. After a while due to carbon dioxide moving up and down as if they are dancing.

CBSE FITNESS WEEK

In the Month of November, Jaipuria School, Sanpada celebrated 'Fitness Week'. The decision was after Prime Minister launched 'Fit India Movement 'on 29 August 2019."This movement therefore endeavours to alter the behaviour from Passive screen time' to 'Active Field time and the aim of the objective is to develop sports quotient among all the students to achieve a healthy lifestyle," Says CBSE. It has also decided to take up the theme of "Ek Bharat –Shrestha Bharat on the last day of the fitness week .Following physical activities were conducted.

Dance, Aerobics, Yoga, Martial Arts, Rope-skipping, gardening etc.
