

EVALUATION SYSTEM

ASSESSMENT PATTERN IN PRE-PRIMARY SECTION

The Pre-Primary Assessment is based on continual process. The academic year is divided in Two Terms. Our little Jaipurians are evaluated on the basis of systematically designed fun-loving worksheets, classwork, assignments and activities. Grades will be awarded instead of marks. The child's progress is shared regularly on P.T.M's through the grading system. The progress report cards are based on class assessment and overall performance.
